

Jan Štancl (*1957)

Chairman of the Board of Directors since 1 September 2019

Chief Executive Officer since 1 September 2019

Jan Štancl graduated from the Faculty of Mechanical Engineering of Czech Technical University in Prague. He has been with ŠKODA PRAHA a.s. since 31 December 2018 as Vice-chairman of the board of directors responsible for implementation of Comprehensive Renewal and Construction of CEZ Power Plants Program. For this area, as well as for the management of the entire company by virtue of his CEO responsibilities, he also served as statutory body at ŠKODA PRAHA Invest s.r.o., of which ŠKODA PRAHA a.s. is the successor organization effective from 1 January 2019. Jan Štancl has worked at ŠKODA PRAHA Invest s.r.o. since 2007, first as head of the Classic and Renewable Resources Section, and then as of 2012 as CEO. In the years 2005 to 2007, he worked for Škodaexport, a.s., where he was in charge of general deliveries for investment projects in the power-engineering sector. He started his professional career in 1981 at ŠKODA PRAHA a.s., initially as a designer and later as head of the Projection Engineering Department. He has been the Chairman of the Board of Directors and Chief Executive Officer of ŠKODA PRAHA a.s. since 1 September 2019.
